

## Who are the Claretians?

*We are a missionary community within the Catholic Church impelled by the love of Christ and the spirit of our founder St. Anthony Claret to:*

- Address the most urgent human needs in the most effective manner
- Strive through every means to reflect God's love, especially to the poor
- Work collaboratively
- Accompany people through difficult transitions
- Pursue spiritual growth in and through social action
- Look to Mary, the Mother of Jesus, with special devotion and inspiration
- Serve life in many more ways ... through parishes, community development, spiritual direction, youth ministry, and foreign missions
